Ingham Intermediate School District

REFLECTION JOURNAL

REFLECTIONS

Reflection 1:

Why did I decide to come to Ingham ISD and what did I hope to take away from experience?

Reflection 2:

MTSS is a way of schooling all children and youth in an “all ed” model. Identify 3 needs or priorities of your school and/or district that you believe MTSS will help you address successfully.

Reflection 3:

What is it about MTSS that you believe will help address the needs/priorities in Reflection 2?

WHAT DID I LEARN ABOUT MTSS AND OUR NEEDS/PRIORITIES?

As you listen and visit Ingham local school districts, journal those things that you have learned that can help you address the needs/priorities that you identified in your reflections.
